## Coconut Whipped Body Butter

1 c. Coconut Oil

1 tsp. Vitamin E Oil

2-3 drops of Almond Oil

2 tsp. Bladderwrack Powder

Put all ingredients into a mixing bowl. \* Note: Do not melt the coconut oil first. It will only whip up if it's solid. Mix with mixer on high speed for 6-7 mins. until whipped to a light and airy consistency. Spoon the body butter into a glass jar and store at room temp.
