

DIY Seaweed Lotions & Body Care

www.vitaminseaseaweed.com

Beeswax Lotion

1 c. Olive Oil

1 c. Beeswax

½ c. Almond Oil

½ tsp. Vitamin E oil

10-20 drops of your favorite Essential Oil

2 tsp. Bladderwrack Powder

Combine the almond oil, coconut oil and beeswax into a large glass jar. Place the jar into a pot, ¾ filled with water. Warm the water over med/low heat. Stir the mixture occasionally.

Heat the blend until thoroughly combined. Next remove the mixture from the water to cool. Stir the lotion every 15 mins. until it has reached room temperature. When completely cooled, mix in essential oil, vitamin E and bladderwrack powder. * Note: Make sure not to get water into the lotion mixture.
